

## Baby Bottle Rockets Literacy Event November 16, 2023

Baby Bottle Rockets is a new program at SRAE available to children from birth to age four. We want to help families and caregivers prepare their children for success in school. Baby Bottle Rockets is an event where children will have the opportunity to work on early literacy skills, participate in music, play, engage in sensory activities, and more!

Staff members will model strategies for supporting early literacy, and parents will leave with a packet of materials to use at home to promote early literacy and play.

**When:** November 16, 2023 @ 6:00 – 7:00

**Who:** Parents and their infant to four-year-old.

**Where:** SRAE gymnasium

**Cost:** Free!

*(Please no siblings, as this event is meant for infants and toddlers.)*

Every infant/toddler child in attendance will receive **a book to take home!**

*A variety of community partners will attend to provide information and resources to families:*  
Midwestern Intermediate Unit 4, LifeSteps, Center for Community Resources, and Pre-K Counts.
