Google Classroom page for more information!

COURTESY NOTIFICATIONS:

Your students have worked hard and spent a lot of time in preparation for this performance. At SRAE, we have ONE public 3-5 performance a year, and music (as many of the other activities in which your students participate) is a team "sport". Every student missing from that stage will affect their peers and the performance that they have ALL worked toward. Their presence on 5/17 is expected. That being said, please notify me of any **extenuating** circumstances as soon as possible at greer_wardlaw@slipperyrock.k12.pa.us so that I can prepare appropriately for any necessary absences.

As a reminder, music is not a graded class (Pass/Fail only), and no repercussions will occur as a result of any absences.

Miss Greer Wardlaw
